PERSONAL PROFILE

- **Languages Known:** Gujarati, Hindi, English
- **Date of Birth:** July 10, 2004

PROFESSIONAL SUMMARY

Results-driven Quality Inspector with over 3 years of hands-on experience in incoming inspection, final auditing, and quality documentation within precision engineering environments. Currently upskilling in Data Analytics to bridge the gap between traditional quality control and data-driven continuous improvement.

SKILLS

- **Data Analytics:**
 - Python
 - SQL
 - Power BI
 - Advanced Excel
 - NumPy
 - Pandas
 - SAP Knowledge
- **Quality Management:**
 - 7 QC Tools
 - Root Cause Analysis
 - 8D Analysis
 - CAPA
 - 5S
 - Kaizen
 - 6M Management
- **Metrology & Technical:**
 - CMM Operation
 - GD&T Knowledge
 - Calibration
 - MSA Knowledge
 - Quality Document Management

- **Soft Skills:**
 - Problem Solving
 - Attention to Detail
 - Communication
 - Teamwork
 - Time Management

PROFESSIONAL EXPERIENCE

Quality Inspector

Harsha Engineers Ltd, Ahmedabad | Oct 2025 – Present

- Conduct final auditing of manufacturing parts to ensure absolute compliance with standard company quality benchmarks.
- Maintain accurate and systematic records of inspection results, non-conformances, and corrective actions for audit trail traceability.

Incoming Quality Inspector

Rane NSK Steering Systems Private Limited, Ahmedabad | Sep 2022 – Sep 2025

- Executed thorough physical and dimensional inspections of inbound raw materials against standard design specifications.
- Managed detailed inspection records, material logs, and cross-functional quality reports for operations traceability.

PROJECTS

AssetFlow – Asset Management System (Team Project)

Developed a web-based **Asset Management System** in a team of four members to streamline the tracking, allocation, and management of organizational assets. The application was designed to provide an intuitive, user-friendly, and visually consistent experience while supporting efficient asset management.

Role: UI/UX Designer & Theme Designer

- Designed the complete **UI/UX** of the application with a focus on usability and user experience.
- Created the overall **Theme**, including color palette, typography, icons, and visual styling.
- Designed responsive layouts and maintained a consistent design across all screens.
- Collaborated with team members to ensure the implemented interface matched the design specifications and delivered a seamless user experience.

Achivement

Gold Medal – Best Presentation & Explanation

- Awarded the Gold Medal by Harsha Advantake Limited for delivering the Best Presentation on "History of Gujarat."
- Recognized for outstanding presentation, public speaking, communication, and explanation skills while presenting Gujarat's historical and cultural heritage.

First Place – QC Competition (Team Award)

- Secured 1st Place in a Quality Control (QC) Competition as part of a team.
- Contributed to preparing and delivering the QC presentation, demonstrating teamwork, analytical thinking, and problem-solving skills.

TECHNICAL TRAINING

Data Analytics Training (In-Progress)

May 2026 – Present

- Developing expertise in translating raw industrial/business metrics into analytical visualizations using Power BI and Advanced Excel.
- Acquiring foundational technical training in data preprocessing using Python syntax, NumPy array manipulation, and Pandas libraries.

Industrial Training & Internship

Kataria Automobiles, Ahmedabad | Jun 2021 – Nov 2021

- Assisted operations in structured vehicle diagnostic workflows, engine diagnostics, and basic auto-electrical overhauls.
- Gained practical insight into structural workshop safety parameters and organized spare parts inventory logistics.

EDUCATION

Degree / Qualification	Institute / Board	Timeline / Scores
Diploma in Engineering (6th Sem)	GTU - Shree Swaminarayan Polytechnic	May 2022 CGPA: 8.89 (SPI: 8.21)
S.S.C (10th Standard)	Kailash Vidhyalay	Mar 2019 Percentage: 53.83%

LIFE GOALS

- Transition into a Data Analyst role by 2027
- Contribute to continuous improvement processes using data-driven insights

HOBBIES

- Reading technology blogs
- Traveling
- Learning new data analysis techniques
- Playing cricket
